**MoSweet**<sup>®</sup>  
Shower Enclosure Manufacturer

# MoSweet<sup>®</sup>

Shower Enclosure Manufacturer

- MoSweet is the leading manufacturer and distributor of shower enclosures, based in MA. We value our customer and strive to provide high-quality products.
- In the past five years, we have grown rapidly and become a major glass shower door manufacturer in the U.S
- Our products are manufactured domestically in MA and overseas using the finest materials and state-of-the-art equipment.
- The stunning product designs are engineered to withstand the stresses of everyday living while being the safe choice for you and your family.
- All our products are designed for easy assembly and come with a 2-year limited manufacturer warranty.

# Why MoSweet

## Durability

MoSweet's shower door enclosures, constructed with top-tier hardware and materials, promise exceptional durability and extended lifespan with proper maintenance.

## Safety

MoSweet's shower partitions are constructed using superior clear tempered glass, adhering to ANSI Z97 certification.

## Low Maintenance

MoSweet's Crystal X Tech, an exclusive technology, offers coated glass that is resistant to stains, ensuring minimal maintenance compared to standard shower doors that do not feature this advancement.

# Genius Plus Collection

Genius plus collection comes with premium hardware and a door handle. The frameless design keeps your lovely bathroom open and spacious, with Crystal X Tech and stain-resistant glass coating.

## Features Highlight

Exclusive Crystal X Technology, water & stain resistant glass coating

## Online Order Tips

When selecting a Genius door set, it's important to remember that it includes a door and the necessary number of panels, which vary based on the exact width of your installation area. Also, please ensure you have the right hardware and accessories, as they are essential for a smooth and successful installation process.

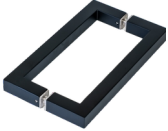

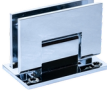

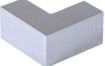

To ensure a smooth online ordering process, please follow these:

**1) Determine the size and finish of the door and panel you need.**

**2) Proceed to place your order by providing the product ID and specifying the quantity.**

**3) Finally, complete your order by selecting your preferred shipping method.**
